A comic book panel showing a character with dark hair and a light-colored shirt looking down at a large, intense fire. The fire is bright yellow and orange, with many flames. Several rocks are scattered on the ground in the foreground. The character's face is partially visible at the top of the frame.

*...DUNNO

ARIANA HAD
THE MAPS. WE CAN
ASK HER BUT I THINK
SHE'S STILL OUT.

NO...

A large, dark, and smoky explosion or impact is shown on a dark, rocky landscape. The explosion is a massive, billowing cloud of dark grey and black smoke and debris, rising from the ground. The background is a clear blue sky. The overall scene suggests a powerful event, possibly a battle or a natural disaster.

**-SHE'S
AWAKE.**

A comic book panel featuring three speech bubbles against a dark blue background with yellow sparks. The speech bubbles are arranged vertically, connected by lines. The bottom right corner shows the top of a character's head with brown hair.
